RE: Public Talks: Inspirational Speakers and Conference Workshop Presenters.

Introduction.

Please afford us this opportunity of introduction. As Director of Meta-Life Coaching, Martin Brits is a leading Personal Development Consultant, Trainer and Inspirational Speaker, and is committed to the process of transformation and human empowerment, both individually and collectively. His objective is to equip and inspire people to take charge of their lives, to obtain their optimum potential and create a brighter future for themselves and the world around them. As Transformational Life-Coach and Workshop Presenter, he is a Healer and Catalyst for Change, making a difference and changing the lives of others. As Life-Coach he assist Individuals & Groups to overcome difficult areas in their lives towards reaching their dreams and objectives. We present Life-Enrichment and Personal Mastery Experiential Workshops, and Metaphysical Training. Martin also assist Entrepreneurs with New Venture Creation, and Mentor Seasonal Managers in Business Development and Transformational Leadership. We encourage Self-Employed Business Owners to use a Spiritual approach to bring about transformation in the world through their businesses - Creating a "New Earth" Social Network of Change Agents that impart new perspectives & consciousness in the way their lives and businesses operate.

Academic Overview?

The Training and Mentoring processes of Meta-Life Coaching are directed by Martin Brits (B.Build.Arts. M.Min.(Rel.Ed), SAIM-Dipl.Proj.Man. et al), a Personal Development Consultant, ISNS Certified Meta-NLP Practitioner Coach, qualified Metaphysical Master Practitioner. He holds degrees in Architecture and the Christian Ministry (Human Sciences), and is currently busy with further Post-Graduate studies. He previously served as Ordained Minister and Director of various Counselling & Cross-Cultural Training initiatives for Missionaries and has extensive experience in Transformational Life-Coaching and Leadership Training initiatives. He is a qualified Spiritual Healer in various Alternative Modalities and has served on various National and International Leadership Fraternal and Ministry Councils.

Background.

Through the years, Martin Brits has received extensive training under the guidance of leading Theologians, Anthropologists, Philosophers and Metaphysicians. He has been involved with Church Planting, Training and Development of learning programs and the supervision of its strategic implementation and Counselling initiatives for most of his career. His experiences in research and training have focussed on Identity issues and the processes involved to bring about individual & group (organisational) transformation. With passion and deep insight on the *Underlying Spiritual Principles* that motivate and inspire Personal Enrichment for change and growth, he delivers compelling arguments to encourage a reorientation of the reasons we live and the goals we pursue to derive a sense of significance in life, as man strive to find his life purpose and live his destiny. Through Martin's delivery he transfer a passion to affirm spiritual roots and further human potential to obtain excellence in quality of life. As a an experienced conference speaker and preacher emeritus, he is both a reflective thinker and practical academic. Martin offers a number of services, to name a few, he is a Holistic Healer & NLP Practitioner, Provide Training & Development Workshops, and focus on Coaching, Mentoring and Counselling with expertise in the following areas:

Pers. Development
Life Improvement

Awakening to
Consciousness

Life Purpose
Human Potential

Metaphysics
Spiritual Ontology

Archetypes
Intuitive Guidance

Description.

A life lived outside the box is clearly more challenging & with more risk, yet with great reward and growth. Through personal experience, Martin can testify that trauma and brokenness is only "Keys" that awaken "Higher Consciousness" and assist to refocus our lives on your higher calling in Life. It is a Mythical Journey that imparts wisdom in the Mystical experience of the Universe. Martin dedicates his life to the development of world class Personal Development and Metaphysical Training Programmes that deliver life changing material that impacts human potential and behaviour towards an empowered, richer and more fulfilling experience of life.

Topics Covered

During his presentation Martin will demonstrate the Theoretical Basis and Practical Application that the following concepts have on people's lives; Finding Direction and purpose for your life, Staying motivated during transition, *Consciousness Training* and a *Spiritual Orientation* to Life, *Worldview* and *identity* Formation, The Process of *Transformation* and Role of Trauma in our lives; Living Harmoniously and Consciously on the New Earth; The *Practice of Self-Awareness* and how to create a New Paradigm of Thinking in order to live and experience a *Higher Purpose in Life*.
